EXPERIENCE

Full Stack Developer Intern – Pipetech AI Technologies Pvt Ltd, Ghansoli, Mahape

6-month internship (ongoing)

- Worked on web projects across frontend development, API integration, CMS management and deployment.

PROJECTS

Rashtragranth – School & College Theatre Booking Platform

Next.js | TypeScript | Tailwind CSS | Zod | Google Sheets API | Vercel

- Built a responsive landing page with synchronized enquiry forms, validation and sanitization (React Hook Form, Zod).
- Integrated Google Sheets, email and Slack notifications; added spam protection, rate limiting and duplicate-submission prevention.

SparksFly Serviced Apartments – Hospitality Website

Live: sparksflyservicedapartments.com | Next.js | React | CSS

- Built responsive apartment listings, property details, About, FAQs, Blogs and Contact pages with reusable components.
- Contributed to the homepage and booking-related interfaces for apartment discovery.

Healthify+ – Healthcare Management System

GitHub: github.com/Itishanaukudkar11/healthify-plus | React.js | Firebase

- Built a responsive health app with Firebase Authentication, medication reminders, health journal and wellness dashboard.
- Stored user-specific data in Firestore with profile management and password update.
